01

Experience

Freelance Shopify Theme Developer

Jul 2026 - Present

Agency projects · Remote

- Build and customise Online Store 2.0 themes for international agencies' clients.
- Ship storefronts end to end, from design handoff to a live store taking orders.

Shopify Theme Developer

Jun 2022 - Present

E-commerce agency · Full-time

- Develop and improve Shopify themes, build landing pages and research new theme blocks.
- Full theme builds from design to Shopify backend, products and variants included.

02

Selected work

LIVE STORE · 2026

GSC

Built the storefront theme for an agency client. The store is now live and taking orders.

100+ orders

`Liquid` `Online Store 2.0` `Agency project`

OWN THEME · 2026

Chemium

A theme built from zero and submitted to the Shopify Theme Store. Rejected for section count, so I'm rebuilding a new theme to pass review.

`Theme from scratch` `Theme Store review` `Presets`
